To prevent the possible spreading of COVID

Guests are requested to practice the following measures

<p>Masks are to be worn in Public Areas and when not dining or drinking.</p> 	<p>Guest temperatures will be taken upon check-in and upon entering the Restaurants.</p> 	<p>Hands should be sanitized.</p> 	
<p>If a guest has a temperature over 37.5° C during their stay, they should report it to the Front Desk.</p> 	<p>Social distancing should be practiced in Public Areas.</p> 	<p>Payment by Credit Card is encouraged.</p> 	<p>If a guest has a temperature during their stay, they should not use the Public Areas.</p> 

The following measures are practiced in the hotel

<p>Sanitary solutions are located at the Hotel Entrance, Front Desk and Restaurants.</p> 	<p>To prevent the possible spreading of COVID, the number of people who can use the Smoking Room, Fitness Gym and the Infinity Pool at one time is limited.</p> 	<p>Social distancing is practiced between the tables in the Restaurants.</p> 	<p>Circulation of air and ozone disinfection are conducted periodically in the Hotel and Restaurants.</p> 
--	---	--	---

The following measures are practiced to ensure the health and safety of our guests and staff:

1. Hand washing, gargling and coughing etiquette is enforced.
2. Our staff is required to sanitize their hands upon arriving and leaving the hotel and during work. Taking temperatures and other measures are conducted to monitor health.
3. If a staff member has a temperature of over 37.5° they are required to go home immediately.
4. Unnecessary and non-emergency travel is restricted.
5. Guest Rooms, Restaurants, Public Areas and Restrooms are frequently disinfected. In addition, high touch areas in the Back Office of our staff are frequently disinfected.
